

The Garden Labyrinth

In the summer of 2001, a small group of local volunteers formed a committee with the goal of creating a permanent, handicapped accessible labyrinth.

The labyrinth found a home at the Cheyenne Botanic Gardens, nestled between Discovery Pond and the Peace Garden. Funding for a stone paved labyrinth has been secured and groundbreaking took place November, 2004.

A memorial and tribute program has been established to allow you to recognize a loved one and share in this vision. Your gift will leave a lasting legacy and also add a beautiful dimension to the Garden Labyrinth.

There are many ways to walk the labyrinth, ways unique as each person who comes to walk.

Help Create the Garden Labyrinth

There are memorial and tribute opportunities allowing you to become part of the Labyrinth legacy. Engrave a Name Paver to encircle the Labyrinth, imprint an inspirational message on a Quote Stone in the entrance walkway, or inscribe one of four Flagstone Benches, to be located at the North, East, West and South nodes of the Labyrinth perimeter.

Name Pavers can be engraved to celebrate the occasions that fill our lives: birthdays, anniversaries, marriages, graduations, unique accomplishments, retirements, and as final tributes. Express your message precisely, using up to 20 characters per line, maximum two lines. Punctuation, spaces & numerals count as characters. Sorry, no life spans will be engraved.

Quote Stones are engraved with enriching passages that define our journey through life. Transitioning from the Peace Garden to the Garden Labyrinth entrance is a walkway where visitors can read the inspirational quotes. To select a tribute quotation, please contact the Cheyenne Botanic Gardens.

Custom Designed Flagstone Benches will include an engraved labyrinth in the four directions. This tribute includes an engraved plaque with inspirational text.
